

Make a Doris Estabrook liver cake.

Doris gave us the receipt many, many years ago –

1. Put a package of beef liver in a blender, add a couple of eggs, some salt, milk and Bisquick.
2. Blend (consistency of a cake batter) and pour in a cake pan.
3. Bake at 300-350 for 30 minutes or until cooked through much like any cake you make.
4. Sprinkle a bit of the cake over their food and stand back!
